### About Logo

The logo for "BizNes" features a modern and professional design. It has a sleek and minimalist look, with a combination of a symbol on the left and the text "BizNes" to its right. The use of a gold or beige color for the symbol and the text gives it a premium and elegant feel, which is suitable for a Point of Sale (POS) system. The clean and straightforward design approach suggests a focus on simplicity and efficiency, which aligns well with the purpose of a POS system.
